

High Priestess Maxine Dietrich's Sermons Volume 4

Forward Note:

I have written hundreds of sermons and replies to questions and concerns of JoS members over the years. Please excuse if some of these are repeated, as there are too many for me time-wise to keep up with and recheck, to see if they are already on other pdfs I uploaded. For those who are new "xian" = Christian. We X out the "christ" for obvious reasons. If some of the links here no longer work, you can access them by copying and pasting the URL into the "Browse History" box at the "Internet Archive Way Back Machine <http://archive.org/web/> A page will come up with dates, just click on a date and it will bring up the page.

Sermon 8/21/14: Directing Your Energies

As I mentioned before and will again, whenever you raise your energies through meditation, yoga, or any other spiritual discipline, it is very important to direct those energies. Each of us carries latent negativity in our chakras. This lasts through lifetimes and unless it is reprogrammed, this is what can cause unfortunate events and other negative experiences to occur. By stating positive affirmations following any spiritual working, even that of martial arts; this will direct the energies raised into something positive and helpful.

Energy always takes the easiest way out. This is scientific. Everyone should have certain goals and by consistently applying the energy to those goals, they will manifest in reality. Even if you don't have any goals you can decide upon, you can always build an aura of protection around yourself. Energy should never just be left to itself.

I would also like to add how important positive thinking is, especially when you meditate regularly. Of course, we are all a part of this world and subject to the mass mind, but each of us to some extent creates our own reality. Dwelling on negativity will cause that negativity to manifest, especially when one's mind and soul are above average in strength.

Many problems that plague humanity are created from the mass mind. It is a very sad fact that the bible, which is in nearly every home, in hotels, in hospitals and everywhere else, along with being forced onto and literally drummed into the mass mind, especially those of innocent children, of whom the enemy knows are vulnerable and defenseless against it, is chock full of the worst negativity imaginable. The bible literally programs humanity to be rotten. Those of us who meditate regularly know just how sensitive the mind is to any spiritual awareness. Look at your chakras and you can feel them. Now, that thoroughly rotten bible is forever affirming how "everyone is a sinner" and other related putdowns, both in the old and new testaments. Given how energy works, this becomes imbedded in the mass mind and manifests itself into real evil. The negative affirmations concerning humanity in that malignant piece of trash are endless. Everyone always has to be sorry, etc., and through this, the entire world is forcibly caught up in a vortex of damnation that keeps perpetuating itself. I also have an old sermon concerning Christian mind control methods:

XIAN MIND CONTROL

One technique xians have used for centuries is that of mind control. Those who attend xian services or masses subject themselves to being programmed. One naturally becomes bored and begins mindlessly daydreaming, or even half-nodding off to sleep. This is when one is most susceptible to their subconscious mind being programmed. This is even worse for in the case of small children and even babies whose minds are open and susceptible. In colonial times, church masses lasted all day long. The church usher would carry a long steel pole with a

ball at the tip to crack those who nodded off on the head. Church attendance was compulsory, resulting in fines or public humiliation such as confinement to the stocks for a specified period of time if one did not comply. All of this is a conspiracy. The xian church masses and services are meant to be boring in order to induce a passive and receptive state of mind where one can be programmed without their knowledge. Those who control the xian program know all about the mind and how to program the populace. They are nothing but a bunch of the worst criminals. All of this is done deliberately to create a slave state. The slave state is the goal of xianity. The xians who walk around with the pasty artificial smiles as though in a trance are those who continuously subject themselves to this indoctrination. More and more church attendance and reinforcement turns them into conditioned robots. This is one reason many who are in the process of breaking away from xianity have a hard time, experience confusion, and sometimes fear. People are unaware they are actually being hypnotized. Studying the truth will eventually result in deprogramming one's mind. The fear, doubt, and confusion will eventually give way to reason.

Another thing I want to mention is the JoS website. It is very extensive. Many of the articles I wrote are very old. I learned Satanism on the job. The section on Demons is very old. Demons are the original Pagan Gods. Demons are for spiritual guidance and support. When we open our minds through meditation [in some cases certain people are born with this ability from meditating and doing spiritual work on themselves in past lives], we open our minds to the astral. Everyone should learn to filter by tuning out anything unwanted, from the astral. This also includes what one can encounter using a Ouija Board, as it is open to all kinds of different astral influences. This just comes with opening your mind and soul. One becomes much more sensitive and psychic.

Using your intuition is exceptionally important. There can be times, especially with verbal telepathic communications where things can get confused or go wrong. It is a very sad fact that science has been so vehemently attacked and held back dangerously by the xian church. The ignorance of the populace is essential in creating any slave state. This is no different from communism, which is the twin of Christianity. Both work to murder all of the intellectuals, those who have knowledge or anyone deemed a threat, which usually adds up to millions, as communism has done with "purges" and of course, we all know about Christianity with the Inquisition. During the Dark Ages, xianity had total control, the average person was a serf, and a slave and everything stagnated. The Jews had total control until they were forcibly expelled from Western Europe and migrated to the East. Following their departure came the Renaissance. Of course, we all know of what became of the East, as with communism, the populace is living in a Dark Age. Both Christianity and communism also use the same brutal forceful methods of indoctrination and mind control. They are one and the same program and have survived as the populace believes the lies that Christianity and communism are enemies. Nothing could be further from the truth. In both doctrines, nothing contradicts. The teachings and the foundations

are both the same, though the lying Jews will try to convince you different. If they don't get you with one, they will get you with the other. No different from how Israel publicly allies with the USA and "free" world, while the former USSR would publicly condemn Israel and take the Arab side in order to confuse the world; supplying the Arabs with military weapons, but of an inferior grade. This was another very clever tactic just for show. No different from xianity and communism. They only pretend to be working from opposite sides.

Your intuition is individual. Learn to work with it. And, of course not everything is spiritual. Given how science has been held back, there is still a lot we do not know concerning the mind. Both science and spirituality meet and complement each other at a certain point. Technology and spirituality both work together. Verbal communications can be tricky at times. The human mind as we all know tends to repeat certain things like a song that hangs on in your head. This can also influence verbal communications and make things difficult. Say for example you have a spiritual friend, Demon, or other entity and you can hear him/her calling you, saying your name, or trying to communicate with you. At some point, like with music, this can become imprinted in the brain and there can be times when you THINK you heard him/her, but it was only in your own mind.

The same thing can be said concerning thoughts. We open new pathways in the brain when we use new skills, both physical and spiritual. Some of these can get crossed. This is a scientific fact. Your own mind can be saying something, no different from hearing a song in your head, and you may unknowingly attribute this to a Demon or other spirit. Your intuition will lead you in the right direction. Verbal telepathic communications cannot always be depended upon, even with gifted psychics. Use your own intuition as well. Your intuition can manifest itself in certain gut feelings, certain strongly FELT influences, and even in events. With experience, knowing yourself and your mind and knowledge, you can tell the difference from spirit communications and that of your own mind.

Through consistent meditation, and working with the powers of your mind and soul, you will find your subconscious mind can be a help to you in life. Unfortunately, with the horrendous negativity drummed into the populace, the removal and corruption of spiritual knowledge and the receptivity of the mind and soul, the subconscious mind of the average person often works against him/her. This is energy left to itself, undirected. No different from an abandoned home where the grass grows waist high, weeds take over, and the property falls into decay at the mercy of the natural elements.

In closing, be aware of how the Jewish controlled media and press work. They have always manipulated the masses in one way or another. Just note how the news regarding the Ebola outbreak has taken the heat off of Israel and its crimes against humanity that were the focus just a few weeks ago.

Happy Samhain/Halloween

Below is a reply to a member of the Teens4Satan e-group and an article on Halloween I wrote some time ago after doing research on the origins of this special and most fun holiday.

Halloween is a wonderful time of year and a holiday that encourages personal creativity. Halloween is also a good time to communicate with the spirit world. This is in fact scientific as the earth aligns a certain way that makes spirit communication much easier.

Enjoy yourselves everyone, HAIL SATAN and a Happy Halloween to you all!!

Teens4Satan member wrote:

Halloween is coming up and Satan taught me of the Christians fake dead celebration traditions (portraying the dead in a horrifying disrespectful way). But I want to celebrate the lords day without insulting him, How do I do that???? Do I just dress up with the intention that I'm not doing it for Xian purpose? Or do I avoid it all, sit back in a traditional Satanic bonfire with a few buddies?

Halloween is by far, my favorite holiday. Feel free to enjoy and celebrate. The only thing to avoid is dressing up in some "devil" costume with the horns or anything else that makes a mockery of Satan. Use your imagination. I used to paint my face up as a skeleton when I was much younger and put on a black top hat and I made a wig from xmas tree string-like tinsel and then put on a long black robe. Also, there is nothing wrong with wearing horrifying or spooky masks or anything else, as long as you are not wearing some devil costume that is a mockery of Satan. Anything else goes. Watch horror movies, indulge in treats...enjoy!

Here is an excerpt from an article I wrote many years ago concerning Halloween:

Let's turn the tables here. You know if the nazarene wasn't such a sorry joke, with all the blood and gore, he is actually scary. For starters, a lightweight wooden cross, hollowed out on the inside can be equipped with a small sliding door where candy and other treats can be inserted. In addition to acting as a candy receptacle, the cross can be used to defend against thugs who, through laziness would rather rob legitimate trick-or-treaters of their hard earned candy than go door to door like the rest. A neon crown of thorns can be wired to a nine volt battery, blinking on and off, followed by lights circling around the head in different colors. Another battery can supply a small, though loud, speaker booming out church organ music, every so often intercepted by- "have you heard the good news?" "His pain, your gain" "have you been saved?" "Jesus loves you" "this is my son in whom I am well pleased." This

way, one can hear the nazarene coming for blocks and get the basket of candy ready at the door. A placard can be attached to the back of the trick-or-treater, advertising: "CALVARY OR BUST!" Fake blood tubes can be hooked up to the palms where they can squirt stingy people who refuse to insert treats into the door on the cross. Fake blood must also be applied to resemble the stigmata and other gore. If one really wants to get elaborate, a whip can be included.

Samhain/Halloween

For those of us who are very close to Father Satan, we are all well aware that he is fed up with all of the Judeo/Christian claims and statements concerning what Satanism is about, how we celebrate and worst of all WHAT THEY CLAIM HE IS ALL ABOUT.

- Satan is not a Halloween monster
- Satan is not a vampire, spook, or ghoul
- Satan does not have red horns and a tail
- Satan is not about graveyards, grim reapers, skeletons or about horror

This trash comes from Christians. It is used to blaspheme, denigrate and Ridicule him. The same goes for his demons.

For many of us, Halloween is a favorite holiday. I, myself love horror movies and such. The point here is how these have been twisted to portray a false and insulting image of Satan and the Original Gods (Now labeled as "Demons").

Ask yourself how you would feel if people put on hideous masks and went out as either you or a family member of yours or a loved one.

Father Satan should be respected on this date, not mocked by those who believe in and honor whatever Christianity dictates he is. How long do you think someone would last going out dressed as the Nazarene? Chances are, they would be attacked by some fundie Christian. Or, if Hollywood was to produce a movie depicting the nazarene and his ilk as hideous monsters.

Halloween is a great time for costumes, monsters, and ghouls, images of death and such. A time to be creative and indulge. It is one of our major holidays, but the negative images denigrating Father have to go. He is tired of it and has let the clergy know he does not approve of these insults. For far too long, too many Satanists have gone along with the CHRISTIAN ideas of Satan and his Demons; what the CHRISTIANS allege them to be and what THEY claim our religion is all about, instead of seeing Satan for WHO HE REALLY IS without all of the Christian false and twisted overtones.
ABOUT SAMHAIN:

The holiday known as "Halloween" was originally called "Samhain" a Celtic word meaning "Summer's End." In ancient times, religions were based upon nature, where humanity lived in tune with the earth, the change of seasons, and the changes in the stars in the sky. This is the essence of Satanism; what is natural.

The major cycles of the year and the crops were important times for festivities, rites, and celebrations. Samhain was a time of harvest and the end of a year, a time of preparation; storing crops and preparing for the dead of winter. The eve of November 1st was the eve of the Celtic New Year. This holiday was a time of harvest, a time of endings, death, and dying, as plant life died and the cold set in. Samhain was also a time of honoring the dead. The Druids built huge bonfires, which they considered sacred, in honor of the Celtic New Year.

There was a prevailing belief in the existence of a Celtic God of the dead known as "Samhain". With extensive research and study accomplished by many scholars, nearly all agree this God was non-existent. Nearly all of the sources mentioning a deity of death known as "Samhain" are CHRISTIAN and they have (as usual) NO legitimate references to back up their claims.

Samhain was celebrated for centuries before the Christian takeover of Pagan holidays. To the intruding Christian religion, any Gods of the old faith were considered "evil" and therefore especially unwelcome at a time of "danger" for the "soul of any good parishioner." This was why Christians suppressed the deadly rite and replaced it a day later with 'all soul's day.'"

Trick or treating originated in Ireland as beggars went door to door on October 31st, asking for handouts. The gifts were for "Muck Olla" a God who was said to destroy the house of anyone who was not generous. Jack-O-Lanterns also had their origin in Ireland; named for a man named "Jack." The story goes that Jack was a miser and when he died, he was not allowed into heaven and he also played jokes on the Devil, so he was not admitted into Hell either, but was doomed to walk the Earth forever. He only had a little lantern to light his way and this is why he came to be called Jack-O-Lantern. Of course, the spooks, vampires, and ghouls were associated with this holiday because of the natural human fear of death and Samhain was a holiday of death.

**The above, as I already mentioned, I wrote many years ago. From what I have learned since, Samhain/Halloween is much more important than the above supposed meanings and legends. There are specific times of the year when rituals and such are greatly empowered, as with the Magnum Opus. We don't have all of the information regarding the dates for the Magnum Opus yet, but Samhain/Halloween is another very important stage and definitely factors in.

Re: Frauds about the Third Reich created by the Enemy

The post below is in all of the JoS e-groups. I only included the first paragraph because of the length.

The more we advance in Satanism through experience and learning, what we have been finding is appalling to say the least. I don't think there is any greater terror than what the Jews have for Satan. They KNOW he will deal with them and give them what they deserve. Nazism IS Satan's New World Order.

Myself and the JoS priesthood know beyond any doubt that the Nazis were not only anti-Christian, but at the top, Adolf Hitler, Heinrich Himmler and many others were Satanists. The Jews know this as well. They have a morbid fear of Satan. Christianity is their bulwark, their power and their tool. Their most important power lies in their torah. That is the root. [For those of you who are new, xianity = Christianity].

Most of the Nazi speeches have been corrupted and imbedded with Christian filth. This is no different from how all of our ancient Pagan spiritual writings have been completely corrupted. In addition, the Nazi works that have been corrupted, like Fourth Reich explained in his post, the xian filth is not only out of place, but in many writings, it was carelessly inserted and contradicts the rest of the text. The contradictions are endless and one only needs to look to the swastika, and the numerous Pagan/Satanic symbols, including the Black Sun to see they were no xians.

http://spiritualwarfare666.webs.com/Third_Reich.htm

I would also like to include this YouTube video:

"Nazi Secrets Himmler's SS Cult"

http://www.youtube.com/watch?v=eX3R_mQnsRM

THIS VIDEO DOES CONTAIN A LOT OF SLANDER, BUT IS VERY REVEALING.

Though they try to undermine Adolf Hitler in his spiritual beliefs, there is NO doubt he was a Satanist and fully supported Himmler's work for destroying xianity. Heinrich Himmler amassed the largest file collection of witch trials in history and one of his reasons was to use this against the xian church. The war disrupted everything.

—

In addition to imbedding hideous xian filth and deliberately ruining excellent and informative speeches and writings, this acts as another psychic transmitter and opens the door for Jewish power and control. The Jews know beyond any doubt at the top how believers in xianity and those who are subliminally influenced by it in any way are under their control. Xianity IS their control over Gentiles. This is

another Jewish tactic of destroying an organization, etc., from within. The organization is infiltrated with xian filth.

For more about how the Jews control through xianity, here are more informative articles:

http://www.angelfire.com/dawn666blacksun/ChristianMass_JewishRitualMurder.html

Here is a perfect example of the Jews being caught in one of their prolific lies:

Do Jews Believe in Satan? The Jewish View of Satan by Ariela Pelaia:
Satan is a character that appears in the belief systems of many religions, including Christianity and Islam. In Judaism "satan" is not a sentient being but a metaphor for the evil inclination – the yetzer hara – that exists in every person and tempts us to do wrong.

To read some more, just visit this website: [About Judaism]

<http://judaism.about.com/od/judaismbasics/a/jewishbeliefsatan.htm>

Ok, so much for that, NOW, if the Jews do not believe in Satan as they try to convince us "stupid goyim" what about the below?

In addition to the article below, I would also like to add more here:

This is a direct quote from the book "**Jonathan Bernis: "A Rabbi Looks at the Last Days"**

Heading of Chapter 2: Why Satan Hates the Jews

The first reason we can know the last days are near: Satan is increasing his attacks on the Jews.

"When we understand that at the root of anti-Semitism is Satan himself, it all becomes clear." "Spiritual warfare rages all around us."

"And a major part of Satan's strategy is to focus upon the complete and total annihilation of the Jewish people."

<http://books.google.com/books?id=cukYGXRLftUC&pg=PT17&lpg=PT17&dq=rabbi+antisemitism++satan&source=bl&ots=WjlQrGmJ5A&sig=XP62R6Hek2ul3eUain6Fjao8oMQ&hl=en&sa=X&ei=gonLU6XML8WkyASXzoDgBg&ved=0CCYQ6AEwAw#v=onepage&q=rabbi%20anti-semitism%20%20satan&f=false>

The above says it all, and prove how the Jews are such prolific liars. Also, in my studies over the past 15 years, I have run across all kinds of books and writings that prove that the Jews DO believe in Satan, especially at the upper levels.

Now, the article below has plenty more examples. To verify the quotes below, links are provided directly beneath. If there are any links that are no longer working, as this article was written close to 10 years ago, please copy & paste the URL of the broken link into the "Browse History" box on this website:

What The Jewish Rabbis Have To Say About Satan

Some Jews who call themselves "Satanists," try to deny the fact that the Jews are the enemies of Satan and that Satan does indeed HATE the Jewish people intensely. He has made this very blatant to his closest disciples. The following are quotes from Jewish rabbis and other religious Jews. It is pretty obvious.

Rabbinical quotes about Satan:

(A few Christian quotes are included towards the end of the page)

"Those who use the Holocaust to justify either their atheism or their tendency to devalue the authority of the Jewish Bible should remember that Satan, not G-d, is the author of Nazism and anti- Semitism."
<http://www.afii.org/texts/hw2p2rb.htm>

"SATAN IS THE AUTHOR OF ANTI-SEMITISM, THE HATRED OF THE JEWS
The term 'anti-semitism' was coined in 1879 by a German journalist Wilhelm Marr to designate anti-Jewish campaigns then appearing throughout Europe. Since that time, the term has been universally applied to any form of behavior or literature which evidences hostility toward the Jews (9). With every fiber of his depraved, sinister being, Satan despises the Jews. He hates them with a perfect hatred, and his demented nature is revealed in his treatment of the Jewish people. This hatred is a reflection of his hatred for God (as Jews are God's chosen people). Their total destruction is his goal. He is the author of the spirit of anti-semitism (15). He has tried to persecute God's people, the Jews, in order to eliminate them so that the promised seed of Genesis 3:15, Yeshua, would not be born, and mankind would not be redeemed. The Book of Esther details how the enemy of God and his people tried to eliminate the Jewish race, but God raised up Esther for "such a time as this" to deliver her race. King Herod tried to eliminate Yeshua by having all the male babies in Bethlehem under two years of age killed. In our generation the Holocaust is ever mindful of Hitler's outrage against millions of Jews, while Stalin's killing of thirty million Jews goes hardly mentioned. Today, one out of every five people in the world is committed to the death of the Jews. Islam requires the death of the Jews (7)."
http://www.hebroots.org/hebrootsarchive/9805/980528_g.html

"Therefore, Satan is desperately trying to stop the return of the Messiah. That's why Satan is doing all he can to destroy the Jewish people. At the same time he is trying to make faith in Yeshua so alien and repugnant that no self-respecting Jew, let alone the nation, would ever desire to repent and trust in Him! Every

congregation of believers in Yeshua, Jewish or Gentile, which doesn't endeavor to bring the Good News to the Jewish people, is actually playing into the present plan of Satan: stop Israel from recognizing their Messiah, Satan's destroyer, so Messiah can't return."

<http://www.wordofmessiah.org/june.htm>

"In this century, Satan has fanned the flames of hatred against the Jews by using Muslims worldwide in his attempt to stop God's Plan which will see Jesus Christ returning to the Mount of Olives. If there is no Jewish Israel, Satan has reasoned that God's Word would be a lie, God's Plan would fail, and he could then survive."

<http://www.bibleprobe.com/baruch.htm>

"Where did Anti-Semitism come from? What is the real cause of this evil thought? The answer is very plain. It comes from the devil. Did you know that the first time the devil is mentioned by the name "Satan" is when he acts against Israel?

"And Satan stood up against Israel, and provoked David to number Israel."

(I Chronicles 21:1) Satan is the one who is the cause of all the persecution and suffering of Israel. Satan hates the nation through whom so much blessing has come to the world, especially Messiah Jesus. When the devil is angry against Israel, it always ends in his defiance against the Messiah and Saviour, Yeshua ha Meshiach. From Pharaoh, the first anti-Semite on record, to Amalek, Haman, then to the King of Syria in 168 B.C., to the Roman War in 66-70 A.D., Satan was the moving factor in Jewish persecution and bloodshed. Through the Crusades, the Spanish Inquisition, the Russian pogroms and the Nazi holocaust you read the history of what Satan has done through men against my Jewish people. But there is coming a day when the fierce attacks against the nation of Israel will come to an end. The God of Abraham, Isaac and Jacob will fight against those who have persecuted the Jew. Then Satan will have his final attack on Israel and God will cast him into the Lake of Fire as prophesied."

<http://www.rockofisrael.org/articles/a3.htm>

"The Arab nations will still be bent on the destruction of that tiny nation in the Middle East. There will still be hatred of Jews and a determination to annihilate them. The source of the hatred (ha satan, in English: satan) will still be very much alive, and will most likely be more active than ever as he sees his time growing short. The deceiver will still be busy at work convincing pastors and unsuspecting believers around the world that the Israelis are brutal aggressors who kill innocent Palestinian children. The media is a great asset to satan. People believe the lies they read in the press and Israel gets another black eye."

http://www.jewishjewels.org/newsletters/2003_03.htm

"There should be no more fighting over the land, but because of man's carnality and because satan hates the Jewish people because of this covenant, the war rages on. It will continue to do so until Yahshua, the Holy One of Israel returns to set up His earthly Kingdom from the Holy City of Jerusalem!"

<http://www.geocities.com/achothatorah/LT/land.html>

"Since 1948 there have been several times when Israel had to close it's borders to tourists. Having dealt with people engaged in hundreds of tours to Israel there has never been an incident of a tourist being hurt or killed by terrorists. If you plan to go to the Holy Land you can count on the following: Satan will begin, about 30 days before you are to depart, to try and cause a major incident or to create a climate of fear to keep you from going to Israel."

<http://www.sabbathrest.org/tours.htm>

"Anti-Israel designs of any description are demonic. Satan has hated God's chosen people from the moment Abraham was called. This occurred many years preceding the name of "Israel" being given to Jacob as he wrestled with God. It was all part of the seed of woman and the promise of the Messiah."

<http://www.pawcreek.org/articles/endtimes/MysteryBabylonAntiIsraelAtTheHighestLevel.htm>

"Considering the above, we will understand why Satan hates the "sound of the Shofar" for It will clearly deliver the message that he is, and has been defeated by the shed blood of the Lamb of God! The very sound of the Shofar makes Satan despise our praise and worship unto the Lord. He hates those who have repented of their sins and follow the Lord Y'Shua. He hates "Ha Davar - The Word" and He who is the Word. He cannot tolerate those that do battle in Y'Shua's Name. He hates to be reminded that Y'Shua was resurrected from the dead three days and three nights after He gave His life, defeating that evil one. Satan hates the State of Israel, for were the Jewish people still in the Diaspora and Israel not been re-established, the Lord Y'Shua cannot return. Also, Satan hates to hear about his final doom."

<http://cometozion.faiithweb.com/rmi2.htm>

"You need to know and understand that Satan hates the Jewish people. Through promises made to Abraham and his seed, God would bring forth into the earth the revelation of Himself and His redemption to humanity. Satan hates the seed of Abraham. Satan hates the Jew. Jesus was a Jew."

<http://www.spiritoflifeministries.com/PropheticEvents.html>

"So if God loves the Jewish people, why are they slandered and maligned? The evil of this deed lies far below the darkest depths of the most corrupt human heart. It is an insidious hatred that Satan has for the Jewish people. First, Satan hates God, so it is natural that he would hate the focus of God's attention. It is natural for him to want to destroy them because he wants to hurt God. He wants to make God look impotent. After all, if the Almighty God can't protect His people then what is the guarantee that He can protect anyone? But it is a miracle that the Jewish people are still around today. They are a true testament to God's divine protection."

<http://www.delusionresistance.org/christian/christkillers.html>

"Satan hates the Jews with a passion because they gave the world both the Bible and the Messiah. He also hates the promises that God has made to save a great remnant of the Jews in the end times."

<http://www.lamblion.com/articles/prophecy/Jews-Israel/Jews-06.php>

"Satan is determined to destroy the Jewish people so that God cannot keep His promise to bring a remnant to salvation. This is the reason that Satan is orchestrating all the nations of the earth against Israel today. God has raised up a nation that Satan, as the prince of this world, is determined to destroy."

<http://www.lamblion.com/articles/prophecy/pcl/pcl-05.php>

"46. JerusalemForever Concerning Islam, Israel, Teaching - The root reason why Israel's enemies oppose Israel with such intensity is because they hate God.(see verse 2 above) Satan hates God and His plan for earth centered in Jerusalem and the Jewish people. This is not intended to be hateful, the truth is quite often painful, but after it is revealed to us we have an opportunity to be free from satanic deception that leads us to oppose the Only True God, who is the God of Israel."

<http://members.tripod.com/~JerusalemForever/>
<http://www.messianicdirectory.com/alpha/jj3.html>

"IV. Roots of Antisemitism in the Church A plot to undermine this "one new man" concept was systematically introduced as one of the primary schemes of the devil. Satan hates Israel because she brought forth the Redeemer of mankind. He especially hates the saved remnant of Israel because they maintain a testimony of true Jewish identity in Yeshua. (Rev. 12:17) Since Satan's schemes are thwarted by the power of Yeshua's blood, and believers are called to walk in the humility of that fact, the enemy's entrée into the Christian's life is through arrogance and pride. Perhaps the exclusivity of the Messianic Jews caused a negative reaction among Gentile believers, but there were early signs in the Church of arrogance toward the Messianic Jewish community. Paul addressed this arrogant attitude in his letter to the Romans."

"Ultimately, the source of anti-Semitism lies with Satan himself. He hates God, and he is and always has been committed to the destruction of what God loves and desires. As God's chosen covenant people, Jews are at the bull's-eye of this hatred. Satan also knows that the restoration of the Jewish people plays a central role in the return of the Messiah. Thus, he is committed at all costs to preventing this. Jewish theology can't explain the Holocaust--and actually the "why" of it is part of the larger question, Why is there evil and suffering in the world if God is a God of love? The question is perplexing even to the most solid believer."

Satanic Origins Of Antisemitism:
<http://www.biblicist.org/bible/plot.shtml>

"Even worse, it attributes Satan's unholy, malicious and vengeful actions to a holy and righteous God. When God judges His own people, His ultimate purpose is not retribution but restoration. His intention is not to destroy but to heal, not merely to punish but ultimately to purify from sin. Satan, on the other hand, is the destroyer. He enjoys inflicting horror and suffering on God's people with the ultimate intention of annihilation. God has staked His reputation on the preservation and the ultimate restoration of the Jewish people. Satan therefore aspires to destroy the Jews, in order to nullify God's promises and make Him out to be a liar."

Frauds about the Third Reich created by the Enemy
Sat Jul 19, 2014 9:22 am (PDT). Posted by: "Fourth Reich" fourth_reich666
The writings, speeches, documents, almost EVERYTHING from the Third Reich has been corrupted. The enemy have filled them with Christianity, false writings, false speeches etc. Even the speech supposedly given by Himmler about the Holocaust is a total hoax and I will write about that later. Every weekend, I will post about the False propaganda, the Allied Hoaxes and about Nuremberg.. I found this article on the Institute for Historical Review by Mark Weber, which exposes fake quotations that were said to have been given by the Nazis. There are also many diaries that were fake and were used in the Nuremberg trials. The Jews shut down anyone and everyone who attempted to expose them. They shut them down because all these false hoaxes propaganda etc. were used as evidence at Nuremberg and the Jews said not to tell anyone because they will have to reopen cases on the Nazis and open cases on the Allies.

Does this party look mostly free of Jewish influence? Or should I stay away?

Stay away! Most of those are so infiltrated and compromised by the enemy it is horrible. You will know when the real one comes along. The time will come. You will know when it is here. For now, in the way of action, just make sure you participate in the upcoming rituals where we will be doing reverse torah rituals and learn everything you can. Right now, just stay away from any and all of that, as it can bring you more trouble than you know. Satan will reveal when the time comes. Our Anti-christ is definitely coming back. You will know beyond any doubt when he arrives.

Re: Malmedy Massacre Hoax, the Lidice Hoax And Allied Propaganda

I would also like to add something here. Because of endless Jew lies and their media propaganda, few people know the truth. What they have done to Satan and our Gods is a major example.

While the Jew controlled television, schools, universities and book media and related are forever accusing and condemning the Nazis, this in addition to the trillions of dollars in "reparations" and other favors the jews have taken for themselves such as stealing Palestine from the Palestinians and using that phony holoco\$t to get their way on many different issues.

http://www.angelfire.com/dawn666blacksun/Real_Holocaust.html

http://dawn666blacksun.angelfire.com/Real_Death_Camps.htm

One of the major benefits the Jews have gotten from persecuting the Nazis is they have used the Nazis as a distraction to divert attention away from unimaginable Jewish crimes against Gentiles. You will never see very much about the REAL death camps from Jewish controlled Hollywood, only movies and TV shows advertizing their phony holoco\$. This only further reveals the truth about Jewish supremacy. What happens to Gentiles doesn't even matter.

They never expected their precious communism to fail. Vladimir Lenin was along with Josef Stalin, Lavrenty Beria [all Jews], and the rest of their Jewish filth- THE WORST MASS MURDERERS THAT EVER EXISTED!

In the USSR, the murder was so extensive that entire villages were wiped out, those who were not outright murdered were sent to death camps to be literally worked to death under the most brutal conditions. The murders committed by Jewish communism, under the orders of Jewish authorities extend past the hundred million mark. What they even ACCUSE Hitler and the Third Reich pales in comparison. What is worse, Hitler and the Nazis never committed any of these crimes! They have been used as a distraction and a diversion. If you read the above link, what they accused the Nazis of was not only mathematically impossible, but also has been debunked by many different scholars since WW2.

Nowhere in the annals of history has there ever been a worse case of the most sick and depraved mass murder than what has occurred under Jewish leaders- THEIR OWN ORDERS- Lenin, Stalin, Zinoviev, Kamenev, Beria- all Jews. Below is a photo of an example of their atrocities. Taking control of the food and enforcing famine was used to break the will and resistance of the people. Below is a child victim [many were] of Jewish communist artificially induced famine. The child is naked, as the communist Jews took everything from the victims, including their clothing and left them to die of either starvation or of freezing to death.

Yet, the Jews promote this malignant vile scum as heroes. I have even heard there is a statue commemorating Lenin in Seattle Washington. Now, just how would they react if someone put up a statue of Hitler? Or how about an open Satanic Church? This only reveals the extent of control the Jews have over everyone. The crimes committed by the Jews and yes, even to their own as they are parasites and if anyone pays the right price, they will do in their own, as money is the god of the Jews.

In closing, I would also like to add how the Jews push xianity and they deliberately corrupt writings, especially those of their enemies by injecting xian filth in them. I have been working on another project under Lilith's supervision and I have been finding how so many writings, books and related by Nazi Leaders has been

totally corrupted with Christian filth. The Nazis were very ANTI-xian, and most at the top, truth be known were Satanists. The Jews work to get anyone they can, especially those who are their enemies and a threat to them under their control with xianity. It is a psychic connection and a spell as I have written many times before. The xian imbedded filth stands out for the lie it is, as it is very contradictory and out of place in the corrupted texts. This also acts in more ways for the Jewish agenda, as it confuses Gentiles and psychically disarms those who believe the lies.

WE NEED TO TAKE BACK WHAT IS OURS!

FW: Jews Put Kabbalistic Curse on Ukrainian Governor

Special thanks to High Priest Don who sent me this news article. The news article below blatantly reveals how the Jews use occult powers, curses, and such to dominate and to control. Most people are under the spells of xianity and Islam. Again, as I have written repeatedly, xianity and Islam are tools to remove spirituality and along with this, for the majority of members here who are knowledgeable in the occult and the powers of the mind and the soul, can see how the xian mass/service is a subliminal tie-in to Jewish ritual murder. This is nothing more than spiritual warfare and how they have disarmed Gentiles spiritually for centuries and have made us their host.

People who have no knowledge of the occult are plain victims, while the Jews assume a "god" position. This is why so many are so arrogant and overconfident.

I would also like to add how so many are indoctrinated into repressing their feelings. I have written about this in many articles- the topic of "hate."
In Satanism, you are free to hate as you wish. Repressing hatred will not make it go away. Repressed hatred along with other emotions the Jew-run system fears will only cause major problems in the way of illness and psychological problems further on. Then, some Jew psychiatrist [most of them are Jews] will charge the victim exorbitant fees, along with prescribing psychiatric drugs for repressed emotions, and other problems come with this.

Those of us who are adepts at black magick - exacting justice, know there must be some level of hatred involved. Given there are many more Gentiles than Jews, there is strength in numbers. The Jews know this and they fear it. Massive hatred can accomplish much in the way of justice. So, the Jew-run system works to forcibly indoctrinate the populace against seeking justice and of course steering everyone away from hatred. "Jewsus loves you" and the xian love, love, love and all of its sick nauseating perversion of the love emotion works to keep the level of hatred down, so the Jews can victimize whomever they please. The love, love, love is so chock full of hypocrisy, it is sick. Then, the Wiccan movement and other related trash preaching the love concept, the "three-fold" crap and then there is the "ten-fold" and even the "hundred-fold" to instill fear, which leads to failure, and passing the buck in the way of doing nothing to stop major injustice and victimization, so the perpetrators just keep on doing what they are doing and victimize others, until everything is so out of control that civilization ceases to exist.

Idiots who follow and believe this junk also preach strongly against any justice. Christianized witchcraft- turn that cheek, walk that extra mile and turn all of your justifiable emotions in on yourself to make the Jews more money and to eventually destroy yourself from within through repression.

The enemy advanced unchecked- easily and without any obstacles when no one ever stands up to them in any way. This is what they want. Do nothing, stay hidden, and keep believing in their endless lies. When your mind and soul are truly liberated, you will see how so many are only programmed. Just programmed and nothing more.

The news article below is very blatant. This has been going on for centuries. Through slavish worship and support of xianity and its twin of Islam and other programs that indoctrinate the populace to be cripples, the Jews have their control and Gentiles pay the price in more ways than one. The Jews use ritual murder and related to manipulate events and to control and those who are unaware or lack knowledge in this area are powerless to stop it.

In the case below, the Jews cursed one of their own and they do this quite often. This example is very blatant of what they have also done to Gentiles, even countries. Given how brutally hard life has been in Russia over the centuries, and

the Jewish history there, it is an obvious example and those of us who are psychically open can sense this.

Note* the trial of a Rabbi in the Ukraine in 1910 it was found the ritually murdered Gentile child Andrei was killed as part of a curse on the Czar to bring down the Czars, creating an opportunity for the Jews to advance their communism.

Dnepropetrovsk Governor Ihor Kolomoisky

In a desperate scramble for reinforcements, supporters of the flagging Ukrainian insurgency have invoked the angels of destruction against the uprising's No. 1 enemy, Kommersant reported. Dnepropetrovsk Governor Ihor Kolomoisky has become the target of the Kabbalah mystic movement's rite of Pulsa Denoura, the daily said Monday, citing a rebel in the insurgent-held city of Horlivka.

The ancient ritual is intended to visit heavenly retribution upon a foe, leading to their death within six months, and is considered to be among the vilest curses of the Kabbalah movement, whose origins lie in the Jewish faith. Many leading Israeli politicians, including the late prime ministers Yitzhak Rabin and Ariel Sharon, have been the subject of Pulsa Denoura curses, as, reportedly, was Bolshevik leader Leon Trotsky. Kolomoisky, an ethnic Jew, had not commented on the report as of this article's publication.

The billionaire governor has turned his domain in central Ukraine into a hotbed of anti-separatism and has used his considerable wealth to fund forces fighting the insurgency. So far, money has trumped magic in Ukraine, where the Army recently began to overpower the outnumbered rebels after a string of setbacks. The last few days have seen a lull in the violence, with a cease-fire declared last Friday, though the insurgents reported isolated artillery attacks last night.

Re: Bodies of 800 babies found in septic tank of Church run home

People will all wake up in time. Years and years ago when I was new to the internet, I noted how Christians dominated and they dominated because they had no opposition. We are further ahead than most of us know. Visibility is a very important key. The enemy wants us to be "underground" "secretive" and to keep quiet. Fools head for the hills, join communes and such and then when the shit comes down, after being unavailable to the public, going "underground," and hiding, there will be no problem for big brother to move on in militantly and kill them all.

We must be persistent and continuous in our fight against these Jewish created and controlled monsters. The Jew-run communist regime that controlled a large portion of the world- they never expected communism to fall now, did they? Assumption is the mother of all fuck-ups. With this, the truth is coming out to where they can no longer suppress their endless hideous crimes against humanity and neither can their xian churches. I can tell you, just researching the endless acts of child molestation and rape, in time, it is a given that there are many, many innocent children buried out back of xian churches, convents, homes and rectories, and also in the yards, basements and floorboards of homes of devout xians, especially preachers. Just give it time and there will be more news exposing these tragedies. Souls of those who were murdered like that do not rest. There will be justice.

I was in a Laundromat recently and while I was loading my wash, a huge flat screen TV on the wall was blasting out xian filth. The owner of the Laundromat happened to be there. I went and complained. I told him if people wanted to listen to that sort of thing, they can go to church. It has no place in a public laundry. I also stated how I found that sort of thing extremely offensive. The guy was obviously an xian. He then replied that some people might "want to listen to that." I countered with again the fact that those who do can attend a church and that discriminatory practices [which xianity is extremely discriminatory] do not belong in a place that is open to the public. I was extremely polite, but very firm and relentless. He got the attendant to change the channel. I then thank them politely. My entire point with this is if no one says anything, the enemy will continue on with no opposition. That malignant filth would have been blasting out all day if I hadn't said anything. I let them know those sorts of TV programs were not acceptable.

Now, turn the table and say there was a TV show of a Black Mass or some other Satanic Rite and just how long do you think that would last? Xians would be going crazy, screaming and demanding that it be turned off and even going so far as to attack the station that hosted it. This makes us Satanists look worthless and weak. Silence is condoning. I know there are certain situations that one is best to keep quiet, but this is not an excuse for doing nothing. We have to fight and fight and fight this malignant scum or we will never have any freedom. Now is the

time. I always complain. If taking any direct action would place you in jeopardy, then make an anonymous phone call to someone who will hear you, write a letter, whatever. If you are confused as to what to do, tune in and ask Satan. You will get an answer, even if you are not telepathic.

We are and have been making impact more than you know. Those who take no action, are "underground," and advocate doing nothing, run like the cowards that they are and hide, and work to keep knowledge hidden are worthless dross. Never listen to them. The enemy advances quickly and has control as long as they have no opposition. Xians are not as brave when you come back at them confidently, especially one on one. Let them know their filth and lies are not wanted, and that they will not be tolerated PERIOD. Yeah, no opposition. Just how stupid can some people out there get? Because xianity and its related programs are lies, they are weak. They can be defeated if only our people take relentless action. There are many different ways of doing this. In closing, I am not suggesting here that anyone place him/herself or loved ones in any danger. Open confrontation is not always the best way, but just make sure you do something. Never pass the buck, as passing the buck will only insure this xian injustice will come back right on you, as it has a history of doing. Articles like the one in the thread here need to be posted everywhere. Have a big mouth in a positive way by posting the crimes of the enemy everywhere so the world will know.

Regarding the so-called "Bible Code"

I know many people have a lot of questions about science, the universe and life. I am posting this, as it may be of interest. I majored in the physical sciences when I attended university many years ago. Satanism is for the advancement of science. Humanity has failed to make any serious progress because of crap like what I am sharing below. Advanced worlds out there combine spirituality with technology, such as group telekinesis when operating flying saucers. There is a point where both physical science and spirituality; the occult meet and compliment each other. Everything of the so-called "occult" can be explained scientifically.

This morning, I was finishing up on "Cracking the Bible Code" book. Because Hebrew uses letters for numbers; stage magicians' tricks can be incorporated into sequences and codes of numbers. All sorts of different things can be done with numbers, as any mathematician knows. This is another fact that not too many people are very knowledgeable about. This is where that crap comes from. The so-called "Bible Codes" are nothing but another hoax promoted by the Jews.

Lilith appeared to me. This was right after I read in the book concerning the "Big Bang" theory and how the universe is supposedly "15 billion years old." Now, note again..."15 billion" again, the number $1 + 5 = 6$. She told me that "Big Bang" theory was a total crock of shit. I then went on to ask about the universe, the micro and macrocosms and such and she told me this...she stated that because we live and die; birth and death, we often see things in a linear time perspective...in having a beginning and an end. She said the universe and the micro and macrocosms do not correspond to linear time. They do not have a beginning or an end. She also stated what Thoth said about the universe being triangular shaped. She then went on and told me how science and everything else has been held back and stymied by the Jews.

That theory concerning the universe being 15 billion years old is based on Einstein's crap. Again, Jewish lies. This in turn is based upon their stupid torah and then we have the Muslim idiots who refuse to admit that the earth is older than what is stated in the Koran, like the kikes, so all scientific enquiry is squelched and stymied [Jewish roots]. I read some time ago where professors and other important scholars, if they do not conform to what are deemed accepted teachings, in many cases, even in spite of research, they are given a strong warning, then they are ostracized and eventually cut from their positions, if they persist. Certain research and such is taboo.

Well, she then left and I went on reading and that book even stated that before Einstein's theory, the general belief was exactly what Lilith told me- the universe had no beginning or end.

See how they ruin science? No different from how I read many years ago how they have NASA completely under their control.

the headaches please someone help why is father Satan not helping is it because I am not dedicated I really do not want to kill myself but it seems I might have to I love life but I can not stop getting nightmares or headaches

Have you told anyone of your involvement in Satanism? Oftentimes, nightmares and negative thoughts about Satan come from Christians and other related idiots who are praying for you and psychically harassing you. Some Christians have powerful minds and spirits from past lives. This sounds like psychic harassment to me. In addition, there is Christian scum and related, like Muslim idiots who troll these groups. They have an obsession with kids and teens. Outside of nearly every church is a playground area and inside many a Sunday school where they corrupt the minds and souls of children, along with Christian camps to brainwash and to abuse teens.

You really need to go over your activities both on and offline and try to pinpoint where these attacks may be coming from. What groups do you belong to? No need to reveal anything here, just ask yourself and then go over any e-mails, posts or anything related to Satanism that you may have been revealing about yourself online. Also, if you have any friends or others you may have talked with regarding Satanism. My own opinion given the information you posted here is that these are psychic attacks from human beings.

I also encourage you to read and study about Satan. You will find the truth that he is not evil, he is not "the deceiver" of humanity, and everything Christians blame him for is really their own Judeo/Christian God. The Judeo/Christian God is the real deceiver of humanity and he is very clever in blaming Satan for all of his heinous crimes to confuse and to distract people from the truth.

Don't just take everything on the JoS website only, but check the information in the articles out for yourself. Check out the bible verses. There are plenty of online bibles. See and make certain for yourself. This way, you will know the truth.

Everything that the Christians accuse the "Devil" of is really of their own God.

"A Murderer and a Liar from the Beginning"

"Human Hating"

"He Deceiveth all of the Nations"

"He is totally Material"

Satan never murdered anyone in the bible, Satan does not demand slavish worship, Satan does not hate human beings, nor is he afraid of human beings advancing in spiritual power. "Satan" means "truth" in Sanskrit. Satan is very spiritual. He encourages us to meditate, and to use the powers of our minds and souls to make our lives much better, to protect ourselves and our loved ones and to eventually become masters of our own destiny.

http://see_the_truth.webs.com/ [Exposing Christianity]

Satan is not "evil." He is wonderful and has helped me and many others in so many ways. Satan and the Gods of Hell care enough about humanity to step in and free us from Christianity and its communist program of mass murder, torture, enslavement, damnation, and death. Study as much as you can on the JoS website and the above link. This will help you. Eventually, you will reach a point where no amount of Christian or related attacks can make any impact on your dedication to Satan, as you will know the truth beyond all doubt. Take care and stay in this group and interact with others. Keep a strong positive attitude. You will be fine.

I also need to add-- if you have been meditating and then skipping days, know that this can cause depression. In the first year of meditation and sometimes even longer, skipping meditations and not doing them consistently can cause depression. This is because the meditations are designed to empower your soul by increasing your life force. Your mind, body and soul need time to adjust to this. Raising your life force energies through meditation, then they drop. This is like working out in the gym. If you work out hard enough, your muscles will get sore.

Sermon: 16/April/2014: Hebrew

Everyone please be alert to next week, as I will be posting another extremely important group ritual that we will be doing on Friday. This ritual will be a continuation in a series of rituals that we already started with the first- reversing curses in the bible. I will also have an mp3 link easily available for download so the vibrations are correct.

These rituals are of extreme importance to Satan and the Powers of Hell. They are one time only rituals and simple to perform. More will also be forthcoming after this and I will post ahead of time so everyone is aware.

One thing I need to add here. I have been studying Hebrew intensively, as is needed to reverse the biblical curses for these rituals. Please be aware of this. I know some of you have run across this sort of thing, as I have. Jews trying to again...deceive us Gentiles. Some claim there is supposed to be a difference in their stupid bible between "Satan" and "Ha-Satan." Well, this is another total crock of shit. "Satan" in Hebrew means "enemy" and "adversary." Hebrew is read from right to left and the spelling- shin, tet and final nun. You can find this in most Hebrew to English dictionaries. Point being now, when the Hebrew letter hei with aka as "heh" "hey" "hah," the fifth letter of the Hebrew aleph-bet, often with the Hebrew vowel dash beneath it means "THE." So, "Satan" in Hebrew means "enemy" and "Ha-Satan" in Hebrew means "The Enemy." Is there a difference? Obviously, NO. This is just another attempt for them to try to deceive you.

Here is a link I found proving the above:

"Certain letters are used for the article, conjunction and prepositions. These letters can then be prefixed to a noun. For example, when the letter ה (hey) is prefixed to the noun it means "the." So, while עץ (eyts) means "tree," עהץ (ha'eyts) means "the tree." http://www.ancient-hebrew.org/42_lesson02.html Though the above is "biblical Hebrew" the hei prefix is standard for "the" when placed before a noun.

I posted this information just to clear up any misconceptions for people who have come across this crap online. I have found that learning Hebrew is not like learning say French, Spanish or even Russian. They try to make it as deceptive as possible, for obvious reasons. In most writings, the vowels are omitted and one has to know the Hebrew word in the context it is used to understand what is being written- in other words, growing up with the language- i.e., a Jew. Difficult to learn, but never impossible.

Most Gentiles cannot read or understand Hebrew, Yiddish, etc. Those who need to know certain things of course must have a Jew interpret it for them. This is why they use it so prolifically amongst their own- to deceive. In addition, their articles and writings are not easily or readily available in most areas outside of neighborhoods, etc., with heavy Jewish populations. I have been learning a lot in addition to just that language. I have been passing much onto the JoS Ministry and will keep the groups informed of anything of importance as we go along.

I would also like to add and it is very important to remember- everything the Jews are and do, they accuse us Gentiles of. Satan is blamed for everything in the bible, but if one looks through open eyes, the REAL "murderer and liar from the beginning" is that Jew-god jewhova. Stupid Christians are of course deceived. Total materialism again, is blamed upon Satan. BUT, just what is there in that stupid bible that is spiritual? NOTHING! The Old Testament is a fictitious history of the Jews, along with Jewish supremacy over the Gentiles, mass murder, and genocide of Gentiles, confiscating and looting Gentile material possessions, properties, along with innocent women and children, forced into being slaves for the conquering Jews after the brutal slaughter and mass murder of Gentile men, and of course that New Testament, nothing but various accounts of the life of that fictitious nazarene. Nothing spiritual- ALL MATERIAL.

The Jewish Hollywood also keeps playing up the Christian crap and is very clever about interlacing this with emotional tear-jerking themes to sucker in average everyday believers. A prime example is the 1959 epic movie "Ben-Hur." Others include "family" entertainment such as the long-run series "Little House on the Prairie" and related that have Christian themes combined with emotional drama. The two come together to imbed in one's mind on the unconscious, emotionally touching, and moving concerning that foul nazarene. People fall for this crap all of the time and are duped right into it. This is extremely prolific around Easter.

"Easter" was stolen from Astaroth. Originally known as "Ashtar." This holiday coincides with the Vernal Equinox of spring when day and night are of equal length. Known as "Eastre" to the Anglo-Saxons. As the Goddess of fertility, she was associated with rabbits and eggs. The Christians stole this holiday and twisted its meaning. Other names include: Easter, Eastre, Eos, Eostre, Ester, Estrus, (Estrus is when an animal goes into heat; mating season) Oestrus, Oistros, and Ostara. Again, the "Lamb of God" was stolen from the Zodiac sign of Aries the Ram which occurs every spring.

12/March/2014: Internet Under Attack

As some of you may be already aware, there are broken links on the JoS website. The internet is under heavy attack right now, and this will more than likely get worse as time goes on, given the news articles below. The injustice is brutal. Just note how Satanism, Satanists and many others can be freely and openly attacked relentlessly, discriminated against and so forth, but we are not allowed to defend ourselves, or state truths. Oh My! Heaven forbid anyone should ever criticize the Jews!

Now, as for the web pages that are down, most of them can be accessed by copying and pasting the URL of the broken link into <http://archive.org/web/> Please add this website to your favorites, bookmark it. If you are not clear on how to do this, just ask in the groups/forums.

The more I research that filthy bible, the more appalling it becomes. All of those so-called "prophecies" are nothing more than a Jew created HOAX! Christianity is their root and their bulwark and their key to making slaves of non-Jews. I will get into this in depth, but to keep this short, if those prophecies are for real, then why do they need to make use of subliminals in order to bring them on?

Here is blatant proof of subliminals used in the Media leading up 911:
Most people are fully aware that Jews control Hollywood and the media.
Hollywood Predicted 9:11???? [Youtube video]

<https://www.youtube.com/watch?v=41FRnNDZkul>

The above video is proof that the so-called "prophecies" in the Bible are nothing but a hoax. The Bible is not the "Book of God" but is a work of the Jews, of which they use subliminally to carry out their curses, some of which are centuries old. One only has to be knowledgeable about the workings of the mind and of witchcraft to see this and to fully understand.

The above is just one, there are also many more including:
1960'S SUBLIMINAL MESSAGES (in slow motion) [Youtube video]

9/11 \$20 Bill Trick [Youtube video]

https://www.youtube.com/watch?v=TKLw_Fm3tqg

Sandy Hook and Batman shootings announced in Movie "Batman " [Youtube video]
<http://www.youtube.com/watch?v=c8nTZKpmtlQ>

There is another one, now the \$100.00 bill. Note this one was done by a Christian IMBECILE:
<http://www.youtube.com/watch?v=NU4-Ev2xLXM>

* Please note, as of November 2014, most of the above youtube links have been removed, as the Jews do not want people to see the truth and they know this exposes them beyond any doubt. The titles of the videos are listed in the above. People keep putting them back up and there are multiples in some cases. Just type in the title and then you should be able to access them.

The Christian imbecile blames Satan, of course, but is too stupid to note that here is a bible in every home, no different from the money circulating, giving this a subliminal link and most important of all, if this bible is as they claim "the word of God" then WHY must the Jews use money, movies and other means to create subliminals for their so-called "prophesies"?????

The Judeo/Christian bible is nothing more than a total hoax, though given the low level of intelligence of most Christians, they cannot see this.

I explain much more [I am not the best speaker], but these videos of my mp3 audio sermons reveal more in depth concerning these so-called "prophesies":

The Holy Bible: A Book of Jewish Witchcraft:

I already posted these news articles and I am posting them again. Note the phrases contained below:

"Knesset Immigration, Absorption, and Diaspora Committee chairman MK Yoel Razbozov called for even further censorship, saying that "countries" need to enact legislation restricting free speech."

"Attempts to censor the Internet because of the "danger it poses" to Jewish interests"

This right here blatantly reveals who is out to destroy your civil liberties and freedoms, and in addition, reveals the Jewish supremacy attitude over Gentiles.

Also note... as of November 2014, there have been quite a few more of these news articles where the Jews are threatening to shut down the internet.

Internet anti-Semitism a 'mortal danger,' say MKs By SAM SOKOL 02/10/2014 19:55

Stakeholders from government and non-governmental organizations testify in Knesset hearing on matter. Using Facebook on the Internet Photo: Reuters Anti-Semitism on the net is "like a tsunami wave," Knesset Immigration, Absorption and Diaspora Committee chairman MK Yoel Razbozov said during a Sunday hearing on online hate speech.

Razbozov called for countries to enact legislation restricting online hate, and warned that if Jews will not act to combat the spread of anti-Semitism online, they will eventually "find themselves in mortal danger."

Representatives of the Foreign Ministry, the Ministry of Jerusalem and Diaspora Affairs, the Israeli Internet Association and the Anti-Defamation League, among other bodies, testified regarding the dangers of online hate and discussed methods of combating disinformation about Jews and Israel.

The Anti-Defamation League testified regarding its ongoing relationship with internet hosting company GoDaddy to take down anti-Semitic websites, citing some 30 sites it said were taken down by the American company.

Facebook has also been working with the ADL, its representative said.

"Facebook is coming around, they just need time," Ronald Eissens of the International Network Against Cyberhate added.

The World Zionist Organization established a communications center for combating hate online and is beginning two pilot courses for training Israelis to engage in this struggle, WZO Department for Countering Anti-Semitism chief Yaakov Hagoel told lawmakers.

"I don't see us winning the battle but at least we are putting up a fight," he said.

While combating disinformation with facts and taking anti-Semitism offline were both tactics discussed during the meeting, only the former will have any substantial impact, committee member MK Dov Lipman told The Jerusalem Post.

"I fear that we are fighting a losing battle," he said. "I am convinced that our focus should be on getting Facebook, YouTube, Twitter and urge websites to remove

anti-Semitic materials and not with setting up our own sites and pages to negate the anti-Semitism. I will present this proposal to the chairman of the committee and will push hard for this to be the government's direction."

Claims of 'Anti-Semitism' Bring Call for Internet Censorship
Posted By Staff on Feb 19, 2014 in culture | 0 comments

Attempts to censor the Internet because of the "danger it poses" to Jewish interests have been revealed in a special inquiry held before the Israeli parliament.

According to a report in the Jerusalem Post, the Anti-Defamation League (ADL) is in an "ongoing relationship with Internet hosting company GoDaddy" to take down any website which it deems to be showing 'Jews, Jewish activities or Judaism in a negative light', and also "works with Facebook" for the same purpose.

According to the ADL representative, giving evidence during a Knesset hearing on the Internet and the threat it poses to 'Jewish special identity', the ADL has already succeeded in removing 30 sites hosted by Godaddy.

Knesset Immigration, Absorption and Diaspora Committee chairman MK Yoel Razbozov called for even further censorship, saying that "countries" need to enact legislation restricting free speech.

Representatives of the Foreign Ministry, the Ministry of Jerusalem and Diaspora Affairs, the Israeli Internet Association and the Anti-Defamation League, among other bodies, testified at the hearing.

According to the report, "Facebook is coming around, they just need time," Ronald Eissens of the International Network Against Cyberhate added.

The World Zionist Organization has established a "communications center" for the internet and is "beginning two pilot courses for training Israelis to engage in this struggle," WZO Department for Countering Anti-Semitism chief Yaakov Hagoel told lawmakers.

"I don't see us winning the battle but at least we are putting up a fight," he said.

Committee member MK Dov Lipman told The Jerusalem Post that he "fear[s] that we are fighting a losing battle," saying that countering the facts was not a way forward, and that only outright censorship provided any solution.

"I am convinced that our focus should be on getting Facebook, YouTube, Twitter and urge websites to remove anti-Semitic materials and not with setting up our own sites and pages to negate the anti-Semitism. I will present this proposal to the chairman of the committee and will push hard for this to be the government's direction."

Jews Control the Internet, Says Pro-Palestinian Website
Dutch group charged with criminal complaint over anti-Semitic article

Dutch antiracism groups have filed criminal charges against a pro-Palestinian organization called Stop de Bezetting-"Stop the Occupation"-whose website published an article accusing Jews of controlling the Internet. JTA reports that the Center for Information and Documentation on Israel and the Dutch Complaints Bureau for Discrimination on the Internet have joined forces, filing a complaint against Stop de Bezetting that labels the text "offensive to Jews." Stop de Bezetting's founder, Greta Duisenberg, denies breaking Dutch laws that forbid disseminating material with intention of inciting hate or discrimination.

The article in question was written in 2009 by the California-based Freedom Research Foundation and mentions the names of Jews involved with Google, Facebook, Wikipedia, Yahoo!, MySpace, and eBay. Titled "The Jewish Hand Behind the Internet," the article is split into subsections that include "The Jewish Entourage at Google," "Zuckerberg's Jewish Entourage at Facebook," "Google's Cooperating with Jewish Censors," and "More Tricks to Control Information on Wikipedia." Wikipedia founder Jimmy Wales is called the "darling of the Jewish crowd at Harvard" and Sheryl Sandberg, who worked at Google before becoming the Chief Operating Officer of Facebook, is mocked for being involved with philanthropy, a "favorite Jewish pastime." The article also chronicles in great length the trips Internet moguls have taken to Israel.

This anti-discrimination complaint comes amidst much discussion and concern about rising anti-Semitism in Europe, and the case against Stop de Bezetting's online anti-Semitism, which raises larger questions about hate speech on the Internet, is not the first of its kind. Last year, a French Jewish student group won a case in French court that called on Twitter to release the names of users who were promoting anti-Semitic hashtags. Duisenberg does not seem concerned about the prospect of legal action, and is quoted as saying "If they want to go to the police, fine. I won't remove [the article] because why should I."

Claims of 'Anti-Semitism' Bring Call for Internet Censorship

Now is the time to download and save to disc; print, hard copy. Many JoS pdfs, mp3s, and informative articles are now freely available here:

http://spiritualwarfare666.webs.com/Satans_Library.htm

Of course one is permitted to say anything about non-Jews, BUT, if anyone DARES to speak and/or write the truth concerning the Jews, OH MY!! Then the truth is labeled as "hate." No one dare to say anything about the Jews. No one dare to bring Jewish criminals to justice, such as the leaders and perpetrators of the worst mass murders in history under Jewish communism, but innocent Nazis are forever dogged until their deaths, as a distraction from the hideous crimes and mass murders committed by Jewish controlled governments under Jewish communism. The Jews ran the REAL concentration camps where most prisoners, who were innocents, never lived to tell.

http://www.angelfire.com/dawn666blacksun/Real_Holocaust.html

"Satan" means "TRUTH" in Sanskrit. No wonder he has been so slandered and attacked for centuries! The Jews know the truth is now out regarding their hideous crimes against humanity for centuries and their days are numbered. We must keep educating the world as long as we are able to do so. I also note that many websites and servers removed the "www" before the URL. WWW; the Hebrew Vau Vau Vau translates into "666" a number they fear. 666 is the number of Satan and translates into spiritual empowerment for Non-Jews.

Thanks to the internet, the truth is out in many areas of the world and the Jews know this:

WZO Department for Countering Anti-Semitism chief Yaakov Hagoel told lawmakers: "I don't see us winning the battle but at least we are putting up a fight," he said. "I fear that we are fighting a losing battle," he said.

Re: Jewish Bankster's War on America

In Satanism, the ignorant, the lazy, and the stupid are worthless. They are worthless to Satan and the Powers of Hell. They also make ideal slaves. The JoS ministry works very hard to educate JoS members here, making knowledge available, but we cannot study for you. Knowledge is power. Remember this. By reading the article here and educating yourself, you will advance, having personal power because of what you know. As for the idiots who could care less

or who blow this off as nothing, they aren't even worth being spat upon. Idiocy= slavery.

The article "Jewish Bankster's War on America" should be read by everyone:
http://hailtosatansvictory666.angelfire.com/JEW_BANKSTERS_WAR_ON_AMERICAN_AND_THE_WORLD.pdf

This not only affects the USA, but the entire world. People need to wake up. 2015, Saturn will enter Sagittarius. The US Solar return for 2015-16 has Neptune of insecurity and uncertainty in the solar second house [finances] of the US at 9 degrees of Pisces, a fatal degree [I use the Gemini ascendant chart for the USA]. Saturn was in Sagittarius in 1929, when the stock market crashed and the depression began. Also, in 1987.

The foundation for the power of the enemy is the bible. I already wrote an extensive article regarding this and more, which can be found on www.exposingchristianity.com

We will be working as a group to destroy that power. Group rituals will be forthcoming in regards to this at the Spring Equinox, 21st March.

Again, I will reiterate, the bible is not the "word of god." I know I already mentioned this, but in that bible, there are squares of Hebrew letters imbedded. The Hebrew letters resonate to certain numbers. The bible is a book of numbered verses, which correspond to witchcraft, as witchcraft at the higher levels uses numbers. Again, these Hebrew letters are vibrated in boustrophedon; meaning zigzag and also up and down, no different from how one vibrates the planetary squares. One can see orthodox Jews physically bobbing and weaving during "prayer," most often in groups.

These numbered squares are no different from magic tricks with numbers and of course, as with the planetary squares. Stupid Christian preachers and such write books about how the bible is the "word of god" and it seems convincing to many people, but books on magic tricks reveal how a lot of this is done, no different from other magic tricks with decks of cards and such. Books on magic tricks reveal a code, though I know this has to do with the occult, but the point being, this can be proven. The planetary squares and occult numbers have major significance of course, but my point here is this is not impossible to crack the code or to understand how this is accomplished in the way of getting the numbers into the squares. Then, along with the subliminal Hollywood movies that have the Sandy Hook, the 911 and related. If these were real prophesies, the kikes wouldn't have to add all the subliminals to make it happen.

WHAT? ...Hollywood Predicted 9:11??? [Youtube video]
<https://www.youtube.com/watch?v=41FRnNDZkul>

The above video is proof that the so-called "prophesies" in the Bible are nothing but a hoax. The Bible is not the "Book of God" but is a work of the Jews, of which they use subliminally to carry out their curses, some of which are centuries old. One only has to be knowledgeable about the workings of the mind and of witchcraft to see this and to fully understand.

The Lone Gunmen Pilot - 9/11, Aired 4th March, 2001, 6 months before the World Trade Center attacks. Note- SIX months.

<https://www.youtube.com/watch?v=Ildhoc0PRr8>

Many biblical curses and so-called "prophesies" were put forth centuries ago. The Ancient Gentile Egyptians, who had much spiritual knowledge, placed curses in the tombs of their dead, the most famous being that of King Tutankhamen, which manifested when Howard Carter opened the tomb in 1922. Given enough knowledge and occult power of the soul, any group of humans can do this. The Jews reinforce their biblical prophesies and deceptions through Jewish ritual murder. Knowledge and awareness, and educating everyone will break this spell!

Re: How do you view Father? Much confused

JoS4Adults member wrote:

As an avid member of JOS for many years, I have found myself coming back to the same core questions regarding his status as a being.. On the JOS website, it quotes Jilwah, which sort of puts father in the non-physical elemental universal creator being who states there is no god but myself etc and attributes it with the being Satan. Then we have Maxine saying he's an advanced extra terrestrial who has advanced his DNA so he does not age, therefore trapping his physical body on this plane of dense matter. Maxine states he does not require or ask for worship... yet the AI Jilwah commands it by his words written in the texts. I'm just very confused on his whereabouts and being etc. A lot of people are attributing Satan to Enki but that book the lost book of Enki was written by a Jew, hence it's probably bunk. I mean no offence. I am just troubled and curious in this matter I look forward to hearing your points of view.

Bless you all in these Strange times

Hail Satan

Satan's statements in the AI Jilwah, as I have come to know, have more than just one meaning. He is also relating the powers of the serpentine energy as well. The serpent is his power, but he is also an actual being. This is no different from the Gods of Hell, who have their attributes in allegories, but they are still actual beings. I hope I am making sense here.

The astral can be accessed by all beings, both spiritual and physical. Satan and Lilith are physical beings. I have worked with both for a very long time and I know them. A completely spiritual being does not have the power of a being who is in a

physical body. Those in spirit form stagnate. This is why so many reincarnate. One cannot advance when in spirit form unless he/she is assisted by a being who is in physical form. I have worked extensively, as have two other JoS ministry members, with beings in spirit form. They could not empower themselves on their own.

Given Satan's powers, he is definitely a physical being. He has extensive power over those in spirit form, more than most people know. Now, as for worshipping, he states in the Al Jilwah against this. There is nowhere in the Al Jilwah where he commands anyone to worship him.

Now, as for the allegories:

"None shall live in this world longer than the time set by me" Your soul determines when you will die. This is upon the soul. Death can often be seen in one's astrology chart, as in one's hand. The astrology chart is a map of the soul and the lines on one's palms are the direct connection to one's mind and soul. This is not easy to predict, though and one must have plenty of knowledge and experience before making these kinds of predictions, but both indicate this is an allegory referring to the soul.

Satan does have power over souls, and this definitely includes those who have passed from this earth. He has the power to reincarnate a soul into a life of his choosing. He also has the power to remove obstacles from a soul in spirit form, before reincarnating him/her.

His other name "EA" is also an allegory, as EA is a vibration for the soul. He was the extraterrestrial God Enki, who created humanity. He is the Nordic God of whom the white race descended from, along with other Nordic Gods who took human wives. 96% of the media is controlled by Jews and nearly all of the books in the mainstream bookstores now-a-days were written by Jews. Satan told me that the "Lost Book of Enki" does have some truths in it, but the details are off. Edward Kelly's "Vision of the Roundhouse" supports the main focus of the Lost Book of Enki. I know how the Jews lie. In reading anything, you have to read between the lines so to speak.

"Edward Kelly's "Vision of the Round House" adds further credibility to the texts written by scholars supporting the concept of the creation of humanity by extraterrestrials through genetic engineering. There is no way Dr. John Dee and Edward Kelly had any knowledge of this in the 16th century."

I hope I answered your questions. I wish I had more time to answer questions in the groups, but Satan and our Anti-christ keep me very busy with enormous amounts of work.

Ritual

As I wrote of before concerning formal rituals, "invoking the Powers of Hell" translates into empowering your soul before a ritual. This can even be done through a hatha yoga session, but most commonly through vibrating the aspects of your soul as with the RAUM meditation.

The most important thing is that you feel the energy of your soul. Altars and props are not necessary, unless this is something you personally enjoy, as they are nice, but again, they are only props and not necessary for any workings. Do not feel you cannot carry out a working or participate because you do not have any props. All you really need is your body and soul, and most important, the intent and the focus of your mind, and of course a place where you will not be disturbed during the working.

The conspiracy of the bible is mind-blowing to say the least. As I posted a few days ago, this is no "work of God," but a work of human beings who had extensive occult knowledge. The Christian churches are crumbling. Israel is facing boycotts and crisis and the enemy as a whole has been weakened. We cannot turn our backs or let our offence down for a minute. In the meantime, keep working to destroy the Christian bulwark. Discreetly distribute anti-tracts for one [always use very short phrases that make impact for certain audiences such as "God and the Devil are backwards"]

www.exposingchristianity.com

Keep everything simple, short and to the point. Wake people up. Put up websites. Put up youtube videos, make copies of materials freely available on Satan's Library website for those you know that are interested but do not have internet. Many countries have strict censorship of the internet and also many people living therein do not have access. Do whatever you are able to do and work discreetly.

http://spiritualwarfare666.webs.com/Satans_Library.htm

Above all, ask for guidance from Satan. You do not have to be adept at telepathic communication for this. Even those who are new. Just open your mind to be aware of opportunities, ideas and gut feelings.

Sermon 2/04/14 - The Truth About the Bible

This seems to be one of the last steps in exposing Christianity. I haven't posted for a while as I have been making audio sermons.

<http://spiritualwarfare666.webs.com/Audio.htm>

Unless we take some serious action in the way of working relentlessly to destroy Christianity and to alert thinking, intelligent people, the future is very grim. I wrote this sermon some time ago and everyone here should have read it:

http://www.angelfire.com/dawn666blacksun/Bible_Jewish_Witchcraft.htm

In my many years of research and study, I have found the bible is not the so-called "word of God" but is a man-made book of witchcraft, hence all of the numbers therein. This is used liberally by top Jews in power to enslave the world. Jewish ritual murder subliminally ties into the Christian mass/service where the nazarene is the child sacrifice; "eat me and drink me" "this is the body of christ..." This son of jewhova, sacrificed by his father...i.e. murdered. In addition, the entire mass/service focuses upon the Jews, Israel and their fictitious history, creating a further subliminal tie. Believers are under a very powerful spell.

http://www.angelfire.com/dawn666blacksun/Jewish_Ritual_Murder.html

The bible is in nearly every home around the world, and in non-Christian countries, its twin, the Koran is the same. This is no different from the \$20.00 bill and the 911 incident, as the \$20.00 bill is the most common currency handled in the USA. The bible is pushed; it is in hotels, hospitals, nursing homes and is nearly found everywhere. It creates a powerful subliminal tie into the workings of Jewish witchcraft. Many believers have never read the bible, but rely on the interpretations of their corrupted preachers and the ramblings of double-digit IQ idiots, who claim this is the "good book" and believe Christianity to be a help to the poor and the needy and nothing more than a charitable, peace and love promoting movement. Nothing could be further from the truth.

This, like communism itself, is another Jewish lie; another Jewish "brotherhood" program that deceives believers with lies to get them ensnared. As with Jewish communism, intelligence and independent thinking is highly discouraged. The mentally retarded are sacred and revered in Christianity, and with communism, the Christianity program [Jewish communism is the higher level of Christianity] goes a step further and mass-murders intellectuals, in what are known as "purges." The "intelligentsia" are one of the first groups of people to be destroyed whenever Jewish communism forcibly takes over a country or area.

The success of these Jewish programs has been dependent upon the destruction and removal of spiritual knowledge from the Gentile populace. Jewish communism of course takes everything a step further, as most knowledge is systematically removed, not just any spiritual knowledge, but knowledge in general, and is replaced with Jewish communist propaganda. Where Christianity

left off, communism take up. Like the Christian mass/service, where the congregation is forcibly brainwashed [people are bored and their minds are open to suggestion, or are nodding off and very receptive to suggestion and indoctrination]. The tactics are the same with Jewish communism and any fool who believes communism to be liberal needs a serious reality check. Jewish communism is in reality, living according to Old Testament laws and so-called "morals" in the strictest sense.

Christianity like its Jewish root creates the problem and then has its own solution. People are indoctrinated that poverty is a virtue, and the ownership of material things is discouraged. This in turn creates poverty on a subconscious level that manifests in reality. The mind and soul are programmed into poverty. Then...here comes Christianity to the rescue, appearing to those with lesser intelligence to be a hero and savior of humanity. In addition, the bible is chock full of destructive suicidal teachings and advice for living. Christianity creates the problem and then pushes the solution that damns us all in the end. They work this from every angle and those who are strong believers, tie into this energy and perpetuate this nefarious program in numerous ways. Birth control and related, especially where they are needed, such as in Third World countries, are highly discouraged. This keeps the poverty running rampant, with Christian missionaries and related spiritual criminals to the rescue. This sort of thing fools the populace every time. Most, being too lazy to read the bible, or do any necessary research believe what they are told, that the bible is the "book of God" and that Christianity is a peace promoting, charitable, institution. Few are also aware of the fact that nearly every war was either directly or indirectly instigated by Christianity, nor are they aware of the fact that Christianity, with its twin of Islam has a foundation of the most heinous mass-murder and torture ever known to humanity. The inquisition finds itself in full power with the stepping off point of Jewish communism.

Getting back to the witchcraft aspect.

In order to expose the bible for what it is, one must venture ahead into the unknown regarding the "occult," of which there are numerous threats and warnings against in the bible. There are also curses in place regarding this. Going in, those with lesser courage frighten easily and back out. Those of us who have gone in very deep regarding the occult, spirituality and the powers of the mind and soul...the numbers, the planets and such, have enough knowledge to see the bible for what it really is. You have to have the experience and the knowledge.

All of those bible "prophesies" are also man-made. Yes, this is true. Again, those with lesser intelligence, such as Christian believers and their preachers are deceived into believing these are acts of "God." Well, truth be known, these sorts of things can be accomplished by knowledgeable human beings as well; people who are well versed in knowing how to use occult power. The bible is no "book of God." The fact that is full of numbers should sound an alarm for many, but the sad truth is most are oblivious to this. Witchcraft uses numbers.

Lilith led me to a book in a second-hand store: "Eye to Eye: Facing the Consequences of Dividing Israel" by William R. Koenig. The idiot author who is a US senator lacks the intelligence to see through his own writings in the book. Phrases like "because the bible says so" and such reveal the gross stupidity of this deceived believer. It is obvious he cannot think for himself, BUT his research is excellent in providing a summary of events that correlate with the verses in the bible.

Now, every time there are issues involving Israel and before the manifestation of the bandit criminal state; any issues involving the Jews, disasters would soon follow. This is no "act of God." These are curses that were established over the centuries by the Jews, through Jewish ritual murder and related. The energies of believers and the fact that the bible is as ubiquitous as currency bolster these curses and provide a powerful energy host.

For those of you who are unfamiliar with the King Tutankhamen excavation, please take some time and learn about this. The opening of the tomb in Egypt in 1922 unleashed some powerful curses. These curses were also man-made. Ancient Egypt was highly spiritual. These curses were set into motion by Gentiles, but the same principles apply...the use of witchcraft. If spiritual knowledge is removed from the populace and in return, the populace is force-fed with lies, those who HAVE this knowledge and power become Gods.

Every time there are issues with Israel, the USA or any other country involved pays the price with natural and other disasters, loss of life and destruction, totaling losses in the billions. This is no "act of God" it is the result of centuries old man-made curses put into action by top Jews via Jewish ritual murder and its subliminal support of the Christian mass which focuses on the Jews with the theme of the sacrificed nazarene, which is a child sacrifice, being this is the assumed "Son of God."

As with any curse, all of these can be turned right back onto the senders. JoS has had many group workings over the years. In the hands of powerful Satanic mages under the direction of Satan, we can defeat all of this. If this is not done, the future is doomed. Knowledge is also a very important key, as the more people who wake up to the truth of the Christian and Muslim programs; this will act in breaking the spell. These programs are nothing more than powerful spells that masquerade as being the "word of God" and keep humanity in chains. The slavish worship lavished upon jewhova and that nazarene are then transferred to the absolute worst of criminals, such as Josef Stalin, Kim Il Sung, Mao Tse-Tung and other related communist filth that have mass-murdered and tortured innocents by the tens of millions. This is why Satan warns us in the Al-Jilwah against worshipping: *"No god has a right to interfere in my affairs, and I have made it an imperative rule that everyone shall refrain from worshipping all gods."*

Satan does not demand slavish worship and warns against this sort of thing as this sets up the populace to be enslaved and destroyed. Satan stands for rebellion, individuality, and freedom and above all, for the advancement of humanity.

The USA has been targeted for communism. High Priest Micama Gmicalzoma has also made youtube videos of my sermons:

<https://www.youtube.com/user/iknowthetruth88/videos>

Deluded Christians and Muslims blame everything on Satan. They do not have enough intelligence or knowledge to see everything is of their own so-called "God," who was a murderer and a liar from the beginning, and who depends upon human sacrifices. This in reality is the Jewish people. Again, as I have stated many times before, there is nothing spiritual about the bible, nor is there anything therein to advance humanity in any way; only to keep everyone enslaved and damned. The Old Testament, being full of genocide, infanticide, mass murder, torture, looting and plundering, war, and the enslavement of Gentiles is a system. This is used by Jew communism whenever it takes hold of a nation or area. Before actual communism, the Catholic Church and its inquisition acted by the exact same methods. Under this murderous institution, same as with Jew communism, all knowledge was removed from the populace, hence the term the "Dark Ages" and replaced with compulsory church propaganda, same as with communism brainwashing. The New Testament with the communist teachings of the nazarene is chock full of suicidal advice such as cut off thine hand, pluck out thine eye, turn the other cheek, walk the extra mile, bless those who curse you, having blind faith, and other nefarious teachings to destroy humanity; preparing the unknowing populace to readily accept communism. And, as for "blessing those who curse you" the bible is very direct regarding blessing the Jews and Israel.

Some idiot preacher made a youtube video regarding the new \$100.00 bill and how this time it is much worse than the \$20.00 bill in the way of enacting disaster. Of course, the buzzard-brained idiot blames this on Satan out of extreme stupidity. The level of stupidity and idiocy within Christianity is staggering to say the least. Satan has been trying to get through to those with enough sense to see through all of this. Satan is the liberator of humanity. Satan stands for rebellion. Unless Christianity and its twins of communism and Islam are completely destroyed, there will be no future for any of us.

Sermon 12/26/13: The Nazarene

There are quite a few people confused about the nazarene. The Jewish run and controlled media insist that this worthless parasite of humanity actually existed. The truth is this, and if you are aware and look, you will see what I mean for yourself and will not be fooled again concerning this.

All of the so-called "occult" and the spiritual, the world over is based upon the kundalini serpent. This is the Serpent of Satan. When this serpent ascends, one experiences inner healing, enlightenment and spiritual powers. The sign of an ascended serpent is the halo. The entire aura emits a light. This is also the meaning of "eternal light" and in Latin "Lux Aeterna" and when Freemasons mention about "the light" and so forth. Hindu deities and the Buddha have halos, as so the many Gods of other world pantheons.

Again, I will reiterate how the nazarene lived "33 years." 33 is the number of esoteric vertebrae in the spine where the serpent ascends. The nazarene is nothing more than a model for an example of a man with his serpent ascended. This also can be seen in the bible where there were "tongues of fire" atop the heads of those fictitious 12 disciples of that nazarene. Note the number 12, this has to do with the zodiac. In addition, the Buddha is also seen with a flame atop his head. I don't believe that the Buddha existed either, but as with the nazarene is a depiction of a model of someone who has the ascended serpent. The long flowing hair of the nazarene is another example of being free; spiritual freedom. The depictions of the virgin and the child were taken from Isis and Horus and represent the birth of the new soul through the serpent of fire.

Now, again, I will repeat myself here. Everything you see in front of you, your PC, your desk, your bed, your place of residence; everything, was once someone's idea before it manifested into reality. Things just didn't grow out of the ground, such as your house. An idea must be either directly or indirectly [subconsciously] planted in one's mind in order to manifest into reality, the more minds, the better, as this translates into the "mass mind." The mass mind has much more power. This is why bibles are incessantly pushed and coerced upon the populace.

Now, most of you are aware of the Jewish problem. Many Jews disproportionately have unimaginable wealth. The majority of Jews are well off financially and there is of course a very small number that are average. Few if any are actually poor. Check your local phone book and see for example just how many attorneys, doctors, and other high paid professionals have Jewish surnames. As a Jewish rabbi wrote concerning the Jews "Thou shalt prosper."

Now, take that model of a man with his serpent ascended, and make him into a fictitious Jewish character. His parents were Jewish, his lifestyle was Jewish and then he descended from a long line of Jews. The entire bible is made up of Jewish characters, patriarchs, and even that "god" himself "chose" the Jewish

people. Now, what kind of a subliminal connection in the minds of the average person does this make? It is systematically and very forcefully imbedded. Take this serpentine power and apply the slavish worship with focus, giving up psychic energies and adoration and this channels into Jewish prosperity. Do you see the connection?

The dragon, the serpent and the halo are seen the world over for representing the serpentine powers. Centuries ago, illustrations were created to show examples of this raised serpentine power. Take this spiritual power, cut off most of the populace from it and then turn it into a Jewish character to make the necessary subliminal connection and the psychic energies of those deceived are directed to the Jewish agenda.

In addition, Jewish ritual murder perpetuates this Christian lie by kidnapping a young Gentile boy or girl and taking him/her secretly into the back of a synagogue where he/she is nailed to a cross and drained of all his/her blood before Passover of every year. This further establishes the ritualistic subliminal connection for the perpetuation of the fictitious nazarene. And of course, there are enemy aliens out there that feed off of the spiritual energies of the deceived believers.

Here is an audio sermon going into more details on this subject:

Happy Yule

This is to wish everyone a Happy Yule Season. Tonight [22 December] is the Highest Sacred Night in Satanism, as this is Satans' Personal Day of the Year. This is a time to honor him. For those of you who are new and some who are still confused, "Satan" means "Truth" in Sanskrit, one of the most ancient of languages. Satan and the Powers of Hell are benevolent beings. This is evident in the fact that they are all working to bring knowledge, spiritual advancement, and freedom to humanity. Instead of ignoring or looking the other way as some beings in different worlds out there do, our Gods are working to help us here. They care deeply about the earth, animals, and the environment and want to set us free. Always remember, Satanism is about being yourself. There are very few rules in Satanism. Christianity has been a curse upon humanity, no different from its twin of communism, which is Christianity in its political form. Satan has opened our eyes to the truth and wants both of these nefarious plagues completely destroyed.

The 1956 Sci-Fi movie "Invasion of the Body Snatchers" contains a lot of truths. Instead of the pods, those pods should have been bibles. Bibles, Christian relics, and related, act as subliminal transmitters. This is why the bible is full of numbers and the spiritually meaningless verses are drummed into the heads of victims, such as Sunday school children and others being forced to memorize scriptures that act to damn humanity. For more on this, please read:
http://www.angelfire.com/dawn666blacksun/Bible_Jewish_Witchcraft.htm

Lilith revealed to me that the Jewish invention of communism, which is nothing more than an organized slave state with the top Jews in charge, and aims to strip everyone of their individuality, their identity, their culture, their race, their material possessions, [material possessions are most often individual] and anything else that makes one classifiable. Everyone is equally screwed, and becomes a meaningless number; a disposable human being... a nothing, a total nobody who can be systematically worked to death and disposed of.

Quote from the Jewish Talmud:

Nidrasch Talpioth, p. 225-L: "Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night."

The Judeo/Christian Bible is a foundation and a blueprint for this. Satan wants for all of the Judeo/Christian poison to be destroyed.

For those of you who are new here, yes, we Satanists definitely celebrate the Yule Season. The Yule is Pagan in origin and was stolen and corrupted by Christianity. Jehova's witnesses even know this. There is nothing Christian about

xmas and the Yule Season. For those of you who enjoy this holiday and have been celebrating it, enjoy.

The Yule season is a season of enjoyment, indulgence, and feasting.

- Cooking
- Baking
- Gift giving
- Decorating
- Building snowmen and winter sports in places where there is snow
- Tree decorating
- Blue lights in honor of Lucifer
- Partying
- Santa Claus for the kids
- Shopping and more.

The Nazarene as you can see has no place in the Yule season. December 25th is actually the Persian deity Mithra's birthday, for one. The Yule was stolen from the Pagans and incorporated into the Christian religion as Xmas. Pagan peoples were celebrating the Yule long before the false program of Christianity forced itself onto the scene. We need to take back our holiday!!
Celebrate and Indulge!!
HAIL SATAN!!

Sermon 11/09/13 - Further Exposing Christianity

For those of you who are forever making endless posts to these groups regarding your problems with Christian indoctrination, please do not be lazy. Read the following article before making more and more posts regarding your psychological problems in overcoming Christian lies, and then apply yourself to meditation. I have written extensively concerning spiritual allegories. Most average people cannot see through the hidden meanings behind the allegories and they take the tales of the Gods and the legends as literal. First off, Satan and the Powers of Hell do not demand any slavish worship. They are our friends. They are and have been trying to help us. They are extra-terrestrial beings. The Jews are always on the attack, when one mentions extra-terrestrial beings.

With extensive and advanced meditation, like the symbolic cobra serpent, one experiences increased awareness and one's mind expands [symbolized by the hood of the cobra]. When you can finally see the truth, and see through all of the lies of Christianity, Islam and its ugly Jewish root, these programs are no longer a threat. There does come a point when no amount of lying or coercion will get one who has seen and who knows the truth to believe the lies any longer. I keep reading in these groups on and off when approving posts, just how much Christianity has taken hold in the minds of many people here. Satan has been showing me more and more as I have opened myself in both my meditations and my studies. To know the truth, one must study extensively into the "occult" subjects of which the bible threatens against. I have done this for many, many years.

While I have made many references to "Jehova" and that filthy Jesus Nazarene, for the umpteenth time, neither one of these entities exist. Both are thoughtforms to some extent and there are enemy extraterrestrials such as the greys who work under the reptilians out there for the enslavement of the Gentiles on this planet, along with some enemy Nordics who pose as these fictitious entities and also promote them. Before there were modern cameras and available information regarding extra-terrestrials, occultist Aleister Crowley when in a trance drew a picture of "Jehova" and it was an illustration of one of those bulb-headed greys. Ok, enough said, but if I don't repeat myself ad nauseum giving some background on this, people who are new will be lost regarding what I am now going to write.

If you delve into occult teachings far enough, and occult societies such as Freemasonry, etc., [much of the spiritual teachings have been systematically removed and what remains is corrupted]. Most of these organizations know of the powers of the soul to some extent. Freemasonry, before it was corrupted by the Jews, was very spiritual and a "33rd Degree mason" was one who had his serpent ascended, as the spine has an esoteric 33 degrees. Way back when, accomplished Freemasons communicated with each other telepathically. Rebuilding the "Temple of Solomon" had to do with the magnum opus and the

soul. The Jews have taken this CONCEPT and have corrupted it to advance their insatiable greed and direct it towards their communist agenda of creating a Gentile slave state.

666 is the Kabbalistic square of the Sun. 666 is the all-important solar chakra. The true meaning of the "Temple of Solomon" is the TEMPLE OF THE SUN. "Sol" "Om" and "On" are all words for the Sun. "Sol" is the Latin word for the Sun and is close to the English word "soul." "Om" is a name given by the Hindus to the Spiritual Sun and "On" is an Egyptian word for Sun. The symbolism of the Temple of Solomon was stolen by the Jews and made into a fictitious character, as with the fictitious Nazarene and nearly everything in the Judeo/Christian Bible. The true meaning of the "Temple of the Sun" is spiritual. This symbolizes the perfected soul, where the rays from the solar [666] chakra, which is the center of the soul and circulates spiritual energy, radiates into eight separate rays. The shining soul is symbolized by the sun. Eight is the number of Astaroth. This is also "The New Jerusalem." The name of "Jerusalem" has also been stolen and corrupted into a city in Israel. "Jerusalem" IS A CONCEPT! The shining perfected soul is also symbolic as "The Light."

Now, most of you already know how that annoying fish symbol the Christians use is in truth a vagina turned on its side. It is called a "Yoni." If you look to many versions of the Tarot cards, even going way back into the Middle Ages, you will find the suits of the rods/wands and the swords are often in the shape of a yoni. The heart chakra [neuter chakra] is also in the shape of a yoni. The yoni, symbolizing the vagina is also symbolic of giving birth to a new soul and achieving spiritual and physical perfection and immortality through the magnum opus. The Christian crap of being "born again" is false, and amounts to nothing more than spiritual degeneracy, and being steeped in more lies.

There are thirteen major chakras upon the soul. For a very long time, the enemy has touted the number 13 as unlucky, etc. This is to frighten people away from that number. This is no different from how horror movies are used to frighten people away from the spiritual/occult. All of this ties in. When one does a ritual, one invokes the four quarters. To the uninitiated, one points one's athame, calls out, etc. To those who know, this is actually an allegory for vibrating the soul to raise your own powers. The soul has four important directions; again, male and female.

This is what the enemy uses the "YHVH" for, though the YHVH is a corruption. The uneducated, the stupid, and the fools are deluded into believing this "YHVH" is some sort of Supreme Being. AGAIN, THIS IS A CONCEPT!! Not only is this a concept, it was stolen, then of course, it was further corrupted. There is no supreme being. There is infinity in both the microcosm and the macrocosm. There is no such thing as some big bad Jewish spook that "created everything" and who is omnipotent and all of that horse manure they push on the unsuspecting public. There is a war going on 'out there' and there are ET's who

work through the Jews here, who do hate humanity and want to enslave the world in order to provide a ready and easy host to leech energy off of souls. This is no different from cattle in a slaughterhouse. This is what we are to them and it all depends upon just how ignorant and unknowing one is, for the enemy to succeed. We have been cut off from our spiritual senses. Few can see what the enemy is doing, but through meditation and the Serpent of Satan, our spiritual eyes are opened.

Getting back to the four quarters of the soul, following the RAUM meditation, http://www.angelfire.com/empire/serpentis666/Raum_Mediation.html

One should vibrate the four quarters of the soul. IO can work for all four, but one will notice a drastic charge and empowerment if the four quarters are vibrated correctly. IO was taken from the Greek IO. Nearly all of the Greek so-called "myths" are very important spiritual concepts, with the exception of some of the legends of the Gods such as Heracles; the account of his birth [his human mother had a very difficult time, as he was fathered by one of the Gods [ET's] and the Nordic ET's are much larger and taller than us humans. I have seen a couple who were near 8 feet tall, such as Anubis. Heracles was a Demi-God, meaning he was half-human. IO is another allegory and while many of these Gods are actual beings, their legends are important spiritual allegories, such as the Greek "Argus" which is Agares. Agares is female, but the allegory portrays a male. The "thousand eyes" of the spiritually empowered soul.

Going a step further, EA is another name for Satan. [Most of you already know the name "Satan" means "truth" in one of the most ancient of languages Sanskrit]. EA is pronounced AY-AH. AY as in May, say, day, etc. Nearly all of the words in Sanskrit end in the letter A. The letter A symbol in English and in many other Western alphabets is tapered like the pyramids, and many other spiritual symbols. The taper is symbolic of the serpentine energy ascending the soul. This also has to do with focus on the spine. The so-called "tetragrammaton" of the soul follows as I-O-E-A. EE-OH-AY-AH. These are the four vowel vibrations that empower and raise the energies of the four quarters of the soul to a high level. Left shoulder/left side of the body, vibrate I [EEEEEE]

Right shoulder/right side of the body, Vibrate O [OOHHHH]

Front side of your body, vibrate E [AAYYY] as in the word say, or may

On your backside, focusing on your spine, vibrate A [AHHHH]

Now, one can see where this vibration was stolen, altered, and completely corrupted from a PAGAN CONCEPT into that foul Jewish invented entity "Jehova." Again and again, I reiterate the word "god" is a code-word for the self!!! There is no "Jehova" or "Yahweh" which was taken from idiot Christians trying to pronounce "YHVH," as the j is often pronounced as y in many languages, after this concept was stolen and corrupted by the Jews. The Christians are so far deluded it is way beyond pathetic. The Jews have usurped spiritual knowledge

and corrupted it in order to enslave and control the entire world, they, themselves, at the higher levels becoming "God." In truth, that is all it is...a vibration to drastically empower the soul.

Going further, I also have written about this before. Once you have enough knowledge and obstacles to enlightenment have been knocked down in your mind, this can easily be seen. The nazarene was stolen from the serpent, and invented into another fictitious Jewish character for Gentiles to slavishly worship. Nearly every painting or illustration of so-called "saints" of which in Spanish is "Santa" an anagram of Satan, THEY ARE ALL DEPICTED WITH HALOS, WHICH REPRESENTS THE RISEN SERPENT OF SATAN!! This is not just a Western concept, but is also seen extensively in the Far East [where Christianity stole nearly all of its corrupted content from], as with the Buddha, also seen with a halo.

Now, getting back to those paintings that we are told is the nazarene, in truth, they are nothing more than an illustration of a man with his serpent ascended, no different from any other illustrated instructions; same as with the so-called "saints." When you purchase any appliances, etc., these normally will come with illustrated instructions, or the same as with some one in an illustration showing the certain steps to using an appliance or whatever.

http://see_the_truth.webs.com/Jesus_Christ.htm

The nazarene is nothing more than a Jewish invented character that has been used to replace the serpent. The paintings are a how-to, A CONCEPT, depicted by a man. As I already wrote some time ago, if the same were done with Sponge-Bob, millions upon millions would prostrate themselves before the mighty image of Sponge-Bob in reverence, worship, and self-devotion. Using a sponge for cleaning purposes would become a blasphemy and a major sacrilege. This would then through the mass mind, take on a life of its own; a thoughtform if you will. A sponge would adorn every altar. There would be giant, colossal sponges where the most holy would make a special pilgrimage, not to that stupid black box in Mecca, but to the giant sponge edifice. The tiny pineapple residence of Sponge-Bob would be heaven under the sea, with the end goal for every "saved" individual to, instead of floating up to the sky in the ether, would descend to the depths of the ocean in hopes of finding the tiny little home to spend the rest of eternity within.

Kidding aside, given the endless and copious amounts of spiritual energy that are directed into this fictitious nazarene character, the misguided and false sense of belief and with this outrageous lie being promoted at every level, embedded in the minds of the populace through force, with no alternative, no wonder it has reached the monstrous level it has. In addition, that nazarene was also corrupted from the five elements, Hebrew style. When one has enough knowledge and has opened his/her mind, and through the Grace of Satan, one can see all of this.

Christianity is pushed upon the populace with no other alternative. Even in doing crossword puzzles, [most are written by Jews], that Christian biblical crap has to be in there for the words/answers. As for Modern Paganism, Buddhism, Wicca and everything else that is related and has been corrupted from the original Paganism, all has been Christianized. The Jews even go a step further in dictating to the Gentiles that the powers of the mind are not to be used for material gain, which is an utter crock of shit.

Quote from the Talmud:

22. Seph. Jp., 92, 1: "God has given the Jews power over the possessions and blood of all nations."

The Jehova's Witnesses, like other fundamentalist Christians are also working to remove Santa from xmas and replace him with the nazarene, take the Easter Bunny out of Easter and again, replace the rabbits and eggs with the nazarene; this goes for all holidays. The Jehova's Witnesses also go a step further and work to remove all symbols which they tout as "graven images," as the destruction of important spiritual symbols will eventually be the death of spiritual knowledge and truths.

ALL of the occult and the spiritual teachings have the end objective of empowering the soul, raising the serpent, and performing the magnum opus. If one will look through open eyes, no amount of coercing, lying, or "explaining" will fool you again. The only thing one can do from this point is to work to wake up humanity to the truth!

HAIL SATAN!!!
